Whether garments are for ladies, men or unisex, it is important to measure each member of staff correctly. The tape should fit comfortably - snug but not tight. Don't worry about adding anything for movement - all our designs take this into account.

#### Larger and Special Sizes

If you require larger sizes, first check the garment description to see what stock we hold. For sizes not listed, or specials, we can make to order (**non returnable - unless there is a fault**).

We charge an extra 25% for this service and you need to allow up to 12 weeks for delivery. Please remember: if it is possible, we will do it.
